

CHBAMHA TEAM JERSEY AND EQUIPMENT POLICY

1. Team jersey sets, and socks will be issued to one representative (selected by the manager/coach) from each team the week after teams are formed.
2. Teams are responsible for selecting one of the two following options for care and custody of game jerseys:

OPTION # 1

INDIVIDUAL PLAYER'S RESPONSIBILITY (Recommended)

- Each player/family is responsible for the jerseys issued to them. If jerseys are lost or damaged, they will be billed for the full retail replacement cost (approx. \$80/jersey) to replace them. This may be either from their player bank, by a cash payment or may be added to their registration fees for the next season (if applicable); **and**
- **Should have individual jersey bags** (i.e., not left in the player's gear bag); **and**
- Responsible for having both jerseys available for every game; **and**
- Responsible for keeping jerseys clean and mold free; **and**
- Responsible for removing name bars, sponsor bars and C/A letters

OPTION # 2

TEAM JERSEY CARRIER

- Carriers **MUST** air out and/or wash all jerseys following **each game** to prevent mold.
- Team budgets will be charged full retail replacement cost (approx. \$80/jersey) for each lost or damaged jersey. If no funds are available in the team budget, the cost will be divided between all players and charged upon registration for the next season if applicable.
- Name/Sponsor Bars and Captains should be removed delicately, as rips due to removal will result in replacement costs, by one or two volunteers.

3. U18/U23 players are to pay a \$100 deposit during registration. Full retail cost (approx. \$80/jersey) to replace kept/missing or damaged jerseys will be deducted from this deposit. If more than one jersey is missing or damaged, the balance will be charged to the player's bank. If not returning next season, parents will be billed for the cost. If the team has a jersey carrier, then see above.

4. Name bars, sponsor bars, captain (C) and alternate (A) letters are permitted. However, they must be attached with wide stitching in order to be removed from the jersey easily at the end of the season. No glue of any type is to be used on the jerseys.

5. At the end of the season, jerseys are to be returned in **acceptable condition** free of name/sponsor bars, Cs, and As. Please ensure all stitching threads are removed and jerseys are clean and dry. Each jersey **MUST** have the original hanger type that was issued with the jersey. Teams will be charged for missing or hangers of a different material than was supplied at the start of the season.

6. **Acceptable condition** is defined as “normal wear” of the jersey. The Equipment Manager will visually inspect each set upon return and determine the condition at that time. **PLEASE NOTE:** Mold, glue adhesive, rips, etc. are **not** considered normal wear. The cost of a replacement jersey will be the responsibility of the assigned player or team depending on who had control of it. Furthermore, damaged jerseys will **not** be returned to the player.

CHBA EQUIPMENT INFORMATION

1. Team socks will be provided by the Equipment Manager for every player and teams will be billed for this through the Team Billing. Please provide team numbers with sizes requested. Socks **DO NOT** need to be returned at the end of each season.

PLEASE NOTE: New team issued socks are mandatory at the start of each season. Individuals CANNOT opt-out.

2. Replacement socks can be purchased through the Equipment Manager at a cost of \$25.00 a pair. Please contact the Equipment Manager for more information on the payment process.

3. Goalie equipment is available for sign out for all levels. Please contact the Equipment Manager for availability.

Thank you,
