

Parent Agreement

(TEAM: _____)

CHBAMHA has a long standing tradition as a volunteer organization that enables its membership the opportunity to cost share or fundraise to help offset the increasing cost of hockey. There is an expectation that every member family share in the fundraising workload in order to provide equal cost sharing among the team. We understand that each member family has its trials and tribulations, and that every member family try it's hardest to contribute equally to the team operating budget.

This agreement is between the team and each family to ensure that all member families contribute to their team operating budget evenly.

By making this team, each parent member agrees to the following terms:

- 1. Contribute financially in the sum of \$_____ by January 31st of the current season, adhering to the Fundraising Policy, or fundraising deposit will be retained by the CHBAMHA if unable to fulfil by withholding return of Parental Contribution or difference owing affixed to following year's registration*
- 2. Volunteer in a required position sometime throughout the season, according to the Volunteer Policy, or Volunteer Deposit will be retained by the CHBAMHA if unable to fulfil*

- 4. Treat the coaches and players of both teams, referees, parents and rink staff with civility and respect*
